

1. In your opinion, what are the best and worst parts of Jamestown?

Best parts

Worst parts

When you think about the heart of Jamestown...what you most love and find really special... Please share your thoughts in these following questions...please be very specific with your responses:

2. What parts not to touch and why?

3. What parts need some help or a tweak?

4. What needs the most help?

5. As Jamestown grows in the next 10 years, what are the major threats to what you love?

6. What is the one thing you would most improve about Jamestown?

Study area of the Village, the adjacent neighborhoods and the East Ferry waterfront

7. What are your impressions, good and bad, of Narragansett Ave?

Good

Bad

8. What are your impressions, good and bad, of the neighborhoods adjacent to Narragansett Avenue?

Good

Bad

9. What are your impressions, good and bad, of the East Ferry waterfront?

Good

Bad

Jamestown Vision Resident Survey

10. Focusing on the study area of the Village, adjacent neighborhoods, and East Ferry, and the development of design guidelines and form-based zoning code, please reflect on each of the following conditions/issues and rate each one on a scale of importance of 1 to 4 as follows:

1 = is not an important issue

2 = might be an important issue

3 = is an important issue, but a secondary priority

4 = is a priority issue... Note you can have more than one condition rated as a #4 priority:

	1 = Not important	2 = Might be important	3 = Important issue, secondary priority	4 = Top priority issue
Preservation of open space	jn	jn	jn	jn
Traffic and speeding on Narragansett Avenue and other main streets	jn	jn	jn	jn
Pedestrian orientation of the village: walk-ability, comfort, and safety	jn	jn	jn	jn
Water access by foot	jn	jn	jn	jn
Interaction of marina activities with the rest of the village	jn	jn	jn	jn
Parking on the main streets	jn	jn	jn	jn
Protecting local character of buildings	jn	jn	jn	jn
